

ADVANCED ROBOTIC APPLICATIONS: **SUMMER CAMP 2009** **AT PRECISION MANUFACTURING INSTITUTE**

**Join us again this summer for an another
look at robotics and manufacturing!**

As an attendee of our 2008 Robotics Summer Camp, we would like to invite you back for a week-long advanced robotics program this summer. This year, you will build on the skills you learned last year while learning about new topics in robotics technology, such as vision systems and robotic welding.

There is no fee to attend this camp. Registration will be accepted on a first-come, first-served basis. The class will be limited to 8 students.

Camp Dates: July 27-July 31, 2009
Monday through Thursday from 8AM to 4PM
Friday from 8 AM to 1 PM
(parents will be invited to join us for lunch)
